Dear Supervisors:

**ISSUANCE AND SALE OF LYNWOOD UNIFIED SCHOOL DISTRICT
(COUNTY OF LOS ANGELES, CALIFORNIA)
GENERAL OBLIGATION BONDS, 2002 ELECTION, SERIES A
(SECOND DISTRICT) (3-VOTES)**

IT IS RECOMMENDED THAT YOUR BOARD:

Adopt the Resolution authorizing the issuance and sale of general obligation bonds of the Lynwood Unified School District in an aggregate principal amount not to exceed \$20,000,000.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The Governing Board of the Lynwood Unified School District adopted a resolution on January 14, 2003 and determined that the District needs to borrow funds in an aggregate principal amount not to exceed \$20,000,000 to be used for authorized purposes. This will be the first issuance of bonds authorized under this bond measure.

On November 5, 2002, an election was held whereby qualified voters of the District approved the proposition authorizing the District to issue \$20,000,000 in general obligation bonds to be used for the acquisition, construction, improvement, equipping and furnishing of certain capital facilities of the District and the prepayment of certain Variable Rate Demand Certificates of Participation.

The Honorable Board of Supervisors

Pursuant to Section 15266 of the Education Code, the Board of Supervisors is responsible for offering the District's bonds for sale. Such bonds shall be issued in the name and on behalf of such school district by the Board of Supervisors of the County following receipt of the district resolution requesting such borrowing.

Implementation of Strategic Plan Goals

This action supports the County's Strategic Plan Goal of Service Excellence by providing one-stop service delivery to the District. It supports the Strategic Plan Goal of Organizational Effectiveness through collaborative actions among County departments and other governmental jurisdictions. And, it supports the Strategic Plan Goal of Fiscal Responsibility by providing investment in and development of public school infrastructure in this County.

FISCAL IMPACT/FINANCING

None to the County. All debt will be paid by the District.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The Resolution provides for issuance of bonds not to exceed an interest rate of eight percent (8.0%) per annum. The final structure will be determined at the time of pricing to achieve the lowest cost of financing within the limits of the proposition's tax levy. The term of the bonds will not exceed twenty-five years. Provisions for optional redemption of these bonds will be described in the Contract of Purchase.

The Resolution provides for the negotiated sale of the bonds, with participation by the Treasurer and Tax Collector in pricing the bonds, to the Underwriter. The District has selected George K. Baum as Underwriter; the firm of Fulbright & Jaworski, LLP as Bond Counsel; and U.S. Bank Trust, National Association as Paying Agent.

The County will annually levy and collect ad valorem taxes for the repayment of the bonds on behalf of the District.

(b) Interest on each Current Interest Bond shall accrue from its dated date as set forth in the Contract of Purchase. Interest on Current Interest Bonds shall be computed using a year of 360 days comprised of twelve 30-day months and shall be payable on each Interest

Payment Date to the Owner thereof as of the close of business on the Record Date. Payments of interest on the Current Interest Bonds will be made on each Interest Payment Date by check or draft of the Paying Agent sent by first-class mail, postage prepaid, to the Owner thereof on the Record Date, or by wire transfer to any Owner of \$1,000,000 or more of such Current Interest Bonds, to the account specified by such Owner in a written request delivered to the Paying Agent on or prior to the Record Date for such Interest Payment Date; provided, however, that payments of defaulted interest shall be payable to the person in whose name such Current Interest Bond is registered at the close of business on a special record date fixed therefor by the Paying Agent which shall not be more than 15 days and not less than ten days prior to the date of the proposed payment of defaulted interest.

SECTION 10. Description of Capital Appreciation Bonds.

(a) The Bonds issued as Capital Appreciation Bonds shall be issued in fully registered form in any denominations of their Principal Amounts but shall reflect denominations of \$5,000 Maturity Amount or any integral multiple thereof, except that one such Bond may reflect an irregular denomination. The Capital Appreciation Bonds shall be dated as of the date of their issuance, shall be issued in the aggregate Principal Amounts, shall mature on the dates, in the years and in the Maturity Amounts, and shall accrete interest with the yields to maturity, all as set forth in the Contract of Purchase.

(b) Interest on each Capital Appreciation Bond, if any, shall be compounded semiannually on February 1 and August 1 of each year until maturity, or as otherwise set forth in the Contract of Purchase, commencing on the date set forth in the Contract of Purchase, computed using a year of 360 days comprised of twelve 30-day months and shall be payable only at maturity as part of the Maturity Amount.

SECTION 11. Book-Entry System.

(a) The Bonds shall be initially issued in the form of a separate single fully registered Bond (which may be typewritten) for each of the maturities of the Bonds within each series. Upon initial issuance, the ownership of each such Bond certificate shall be registered in the Bond Register in the name of the Nominee as nominee of the Depository. Except as provided in subsection (c) hereof, all of the Outstanding Bonds shall be registered in the Bond Register in the name of the Nominee and the Bonds may be transferred, in whole but not in part, only to the Depository, to a successor Depository or to another nominee of the Depository or of a successor Depository. Each Bond certificate shall bear a legend substantially to the following effect: "UNLESS THIS BOND IS PRESENTED BY AN AUTHORIZED UNDERWRITER OF THE DEPOSITORY (AS DEFINED IN THE RESOLUTION) TO THE BOND REGISTRAR

FOR REGISTRATION OF TRANSFER, EXCHANGE, OR PAYMENT, AND ANY BOND ISSUED IS REGISTERED IN THE NAME OF CEDE & CO. OR IN SUCH OTHER NAME AS IS REQUESTED BY AN AUTHORIZED UNDERWRITER OF THE DEPOSITORY (AND ANY PAYMENT IS MADE TO CEDE & CO. OR TO SUCH OTHER ENTITY AS IS REQUESTED BY AN AUTHORIZED UNDERWRITER OF THE DEPOSITORY), ANY TRANSFER, PLEDGE, OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL INASMUCH AS THE REGISTERED OWNER HEREOF, CEDE & CO., HAS AN INTEREST HEREIN."

With respect to Bonds registered in the Bond Register in the name of the Nominee, the County and the District shall have no responsibility or obligation to any Participant or to any person on behalf of which such a Participant holds a beneficial interest in the Bonds. Without limiting the immediately preceding sentence, the County and the District shall have no responsibility or obligation with respect to (i) the accuracy of the records of the Depository, the Nominee or any Participant with respect to any beneficial ownership interest in the Bonds, (ii) the delivery to any Participant, beneficial owner or any other person, other than the Depository, of any notice with respect to the Bonds, including any redemption notice, (iii) the selection by the Depository and the Participants of the beneficial interests in the Bonds to be redeemed in part, or (iv) the payment to any Participant, beneficial owner or any other person, other than the Depository, of any amount with respect to Principal of, premium, if any, and interest on the Bonds. The County and the District may treat and consider the person in whose name each Bond is registered in the Bond Register as the holder and absolute Owner of such Bond for the purpose of payment of Principal of, premium, if any, and interest on such Bond, for the purpose of giving Redemption Notices and other notices with respect to such Bond, and for all other purposes whatsoever, including, without limitation, registering transfers with respect to the Bonds.

The Paying Agent shall pay all Principal of, premium, if any, and interest on the Bonds only to the respective Bond Owners, as shown in the Bond Register, and all such payments shall be valid hereunder with respect to payment of Principal of, premium, if any, and interest on the Bonds to the extent of the sum or sums so paid. No person other than a Bond Owner, as shown in the Bond Register, shall receive a Bond evidencing the obligation to make payments of Principal of, premium, if any, and interest, pursuant to this Resolution. Upon delivery by the Depository to the Paying Agent and the County of written notice to the effect that the Depository has determined to substitute a new nominee in place of the Nominee, and subject to the provisions hereof with respect to Record Dates, the word Nominee in this Resolution shall refer to such new nominee of the Depository.

(b) If at any time the Depository notifies the County and the District that it is unwilling or unable to continue as Depository with respect to the Bonds or if at any time the Depository shall no longer be registered or in good standing under the Securities Exchange Act or other applicable statute or regulation and a successor Depository is not appointed by the Treasurer within 90 days after the County and the District receive notice or become aware of such condition, as the case may be, subsection (a) hereof shall no longer be applicable and the Treasurer shall issue bonds representing the Bonds as provided below. In addition, the County and the District may determine at any time that the Bonds shall no longer be represented by book-entry securities and that the provisions of subsection (a) hereof shall no longer apply to the Bonds. In any such event the Treasurer shall execute and deliver certificates representing the

Bonds as provided below. Bonds issued in exchange for book-entry securities pursuant to this subsection (c) shall be registered in such names and delivered in such denominations as the Depository shall instruct the County and the District. The Treasurer shall deliver such securities representing the Bonds to the persons in whose names such Bonds are so registered.

If the County and the District determine to replace the Depository with another qualified securities depository, the County and the District shall prepare or cause to be prepared a new fully registered book-entry security for each of the maturities of Bonds, registered in the name of such successor or substitute securities depository or its nominee, or make such other arrangements as are acceptable to the County, the District and such securities depository and not inconsistent with the terms of this Resolution.

(c) Notwithstanding any other provision of this Resolution to the contrary, so long as any Bond is registered in the name of the Nominee, all payments with respect to Principal of, premium, if any, and interest on such Bond and all notices with respect to such Bond shall be made and given, respectively, as provided in the Representation Letter or as otherwise instructed by the Depository.

(d) The initial Depository under this Resolution shall be DTC. The initial Nominee shall be Cede & Co., as nominee of DTC.

SECTION 12. Execution of the Bonds.

(a) The Bonds shall be executed in the name of the District by the County by the manual or facsimile signature of the Chair of the Board and the manual or facsimile signature of the Treasurer, and shall be countersigned by the manual or facsimile signature of the Executive Officer-Clerk of the Board or by a deputy of either of such officers. The County's seal (or a facsimile thereof) shall be impressed, imprinted, engraved or otherwise reproduced on each Bond. In case any one or more of the officers who shall have signed or sealed any of the Bonds shall cease to be such officer before the Bonds so signed and sealed shall have been issued by the County on behalf of the District, such Bonds may, nevertheless, be issued, as herein provided, as if the persons who signed or sealed such Bonds had not ceased to hold such offices. Any of the Bonds may be signed and sealed on behalf of the County by such persons as at the time of the execution of such Bonds shall be duly authorized to hold or shall hold the proper offices in the County, although at the date borne by the Bonds such persons may not have been so authorized or have held such offices.

(b) The Bonds shall bear thereon a certificate of authentication executed manually by the Paying Agent. Only such Bonds as shall bear thereon such certificate of authentication duly executed by the Paying Agent shall be entitled to any right or benefit under this Resolution and no Bond shall be valid or obligatory for any purpose until such certificate of authentication shall have been duly executed by the Paying Agent. Such certificate of the Paying Agent upon any Bond shall be conclusive evidence that the Bond so authorized has been duly authenticated and delivered under this Resolution and that the Owner thereof is entitled to the benefit of this Resolution.

SECTION 13. Transfer and Exchange. The registration of any Bond may be transferred upon the Bond Register upon surrender of such Bond to the Paying Agent. Such Bond shall be endorsed or accompanied by delivery of the written instrument of transfer shown in Exhibit A-1 or A-2 hereto, duly executed by the Owner or his duly authorized attorney, and payment of such reasonable transfer fees as the Paying Agent may establish. Upon such registration of transfer, a new Bond or Bonds, of like tenor and maturity in the same Transfer Amount and in authorized denominations, will be executed and delivered to the transferee in exchange therefor.

The Paying Agent shall deem and treat the person in whose name any Outstanding Bond shall be registered upon the Bond Register as the absolute owner of such Bond, whether the Principal, premium, if any, or interest with respect to such Bond shall be overdue or not, for the purpose of receiving payment of Principal, premium, if any, and interest with respect to such Bond and for all other purposes, and any such payments so made to any such Owner or upon his order shall be valid and effective to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and the County, the District or the Paying Agent shall not be affected by any notice to the contrary.

Bonds may be exchanged at the office of the Paying Agent for Bonds of like tenor, maturity and Transfer Amount of other authorized denominations. All Bonds surrendered in any such exchange shall thereupon be cancelled by the Paying Agent. The Paying Agent may charge the Owner a reasonable sum for each new Bond executed and delivered upon any exchange (except in the case of the first exchange of any Bond in the form in which it is originally delivered, for which no charge shall be imposed) and the Paying Agent may require the payment by the Owner requesting such exchange of any tax or other governmental charge required to be paid with respect to such exchange.

The Paying Agent shall not be required to register the transfer or exchange of any Bond (i) during the period beginning at the close of business on any Record Date through the close of business on the immediately following Interest Payment Date, or (ii) that has been called or is subject to being called for redemption, during a period beginning at the opening of business 15 days before any selection of Bonds to be redeemed through the close of business on the applicable redemption date, except for the unredeemed portion of any Bond to be redeemed only in part.

SECTION 14. Bonds Mutilated, Destroyed, Stolen or Lost. In case any Bond shall become mutilated, the Paying Agent, at the expense of the Owner, shall deliver a new Bond of like date, interest rate, maturity, Transfer Amount, series and tenor as the Bond so mutilated in exchange and substitution for such mutilated Bond, upon surrender and cancellation thereof. All Bonds so surrendered shall be cancelled. If any Bond shall be destroyed, stolen or lost, evidence of such destruction, theft or loss may be submitted to the Paying Agent and if such evidence is satisfactory to the Paying Agent that such Bond has been destroyed, stolen or lost, and upon furnishing the Paying Agent with indemnity satisfactory to the Paying Agent and complying with such other reasonable regulations as the Paying Agent may prescribe and paying such expenses as the Paying Agent may incur the Paying Agent shall, at the expense of the Owner, execute and deliver a new Bond of like date, interest rate, maturity, Transfer Amount and tenor in lieu of and in substitution for the Bond so destroyed, stolen or lost. Any new Bonds issued pursuant to this

Section 14 in substitution for Bonds alleged to be destroyed, stolen or lost shall constitute original additional contractual obligations on the part of the District, whether or not the Bonds so alleged to be destroyed, stolen or lost are at any time enforceable by anyone, and shall be equally secured by and entitled to equal and proportionate benefits with all other Bonds issued under this Resolution in any moneys or securities held by the Paying Agent for the benefit of the Owners of the Bonds.

SECTION 15. Bond Register. The Paying Agent shall keep or cause to be kept at its office sufficient books for the registration and registration of transfer of the Bonds. Upon presentation for registration of transfer, the Paying Agent shall, as above provided and under such reasonable regulations as it may prescribe subject to the provisions hereof, register or register the transfer of the Bonds, or cause the same to be registered or cause the registration of the same to be transferred, on such books.

SECTION 16. Unclaimed Money. All money which the Paying Agent shall have received from any source and set aside for the purpose of paying or redeeming any of the Bonds shall be held in trust for the respective Owners of such Bonds, but any money which shall be so set aside or deposited by the Paying Agent and which shall remain unclaimed by the Owners of such Bonds for a period of one year after the date on which any payment or redemption with respect to such Bonds shall have become due and payable shall be transferred to the General Fund of the District; provided, however, that the Paying Agent, before making such payment, shall cause notice to be mailed to the Owners of such Bonds, by first class mail, after a date in said notice, which date shall not be less than thirty (30) days after the date of mailing such notice. The Owners of such Bonds shall look only to the General Fund of the District for payment of such Bonds.

SECTION 17. Application of Proceeds. Upon the sale of the Bonds, the Treasurer is hereby directed to deposit or cause to be deposited the proceeds thereof, exclusive of accrued interest and any original issue premium, into the fund established for the account of the District and designated as the "Lynwood Unified School District General Obligation Building Fund Series A" which shall be administered by the County Office of Education for the account of the District and which shall be kept separate and apart from all other accounts held hereunder. The District shall, from time to time, disburse from the General Obligation Building Fund Series A to pay the Project Costs, including by preparing the District's existing lease-purchase obligations. Amounts in the General Obligation Building Fund Series A shall be invested so as to be available for the aforementioned disbursements. The District shall keep a written record of disbursements from the General Obligation Building Fund Series A.

Any amounts that remain in the General Obligation Building Fund Series A at the completion of the Projects shall be transferred to the Debt Service Fund to be used to pay the Principal of, premium, if any, and interest on the Bonds, subject to any conditions set forth in the Tax Certificate.

SECTION 18. Payment and Security for the Bonds. The Board shall annually at the time of making the levy of taxes for County purposes, levy a continuing direct *ad valorem* tax for the Fiscal Year upon the taxable property in the District in an amount at least sufficient, together with moneys on deposit in the Debt Service Fund and available for such purpose, to pay

the Principal of, premium, if any, and interest on each Bond as each becomes due and payable in the next succeeding Bond Year. The tax levy may include an allowance for an annual reserve, established for the purpose of avoiding fluctuating tax levies. The County, on behalf of the District, hereby pledges as security for the Bonds and the interest thereon, and the Treasurer is directed to deposit or cause to be deposited in the District's Debt Service Fund, the proceeds from the levy of the aforementioned tax which the County receives (the "Pledged Moneys"). The Pledged Moneys shall be used to pay the Principal of, premium, if any, and interest on the Bonds when and as the same shall become due and payable. The Bonds are the general obligations of the District and do not constitute an obligation of the County except as provided in this Resolution. No part of any fund or account of the County is pledged or obligated to the payment of the Bonds or the interest thereon.

SECTION 19. Debt Service Fund.

(a) The County is hereby directed to deposit or cause to be deposited any accrued interest and any original issue premium received by the County from the sale of the Bonds in the fund established for the account of the District and designated as the "Lynwood Unified School District 2002 Election General Obligation Bonds, Debt Service Fund" (the "Debt Service Fund") to be administered by the County and used only for the payment of the Principal of, premium, if any, and interest on the Bonds.

(b) All Pledged Moneys shall be deposited upon collection by the County into the Debt Service Fund and used for the payment of the Principal of, premium, if any, and interest on the Bonds.

(c) On the Business Day immediately preceding each Interest Payment Date, if the Paying Agent is not the Treasurer, and on the Interest Payment Date if the Paying Agent is the Treasurer, the District shall transfer or cause to be transferred from the Debt Service Fund to the Paying Agent, an amount, in immediately available funds, sufficient to pay all the Principal of, premium, if any, and interest on the Bonds (collectively, the "Debt Service") on such Interest Payment Date. Debt Service on the Bonds shall be paid by the Paying Agent in the manner provided by law for the payment of Debt Service.

(d) The District shall cause moneys to be transferred to the extent needed to comply with the Tax Certificate. Any amounts on deposit in the Debt Service Fund when there are no longer any Bonds Outstanding shall be transferred to the General Fund of the District subject to any conditions set forth in the Tax Certificate.

SECTION 20. Establishment and Application of Excess Earnings Fund. There is hereby established in trust a special fund designated "Lynwood Unified School District 2002 Election General Obligation Bonds, Excess Earnings Fund" (the "Excess Earnings Fund") which shall be administered by the County Office of Education for the account of the District and which shall be kept separate and apart from all other funds and accounts held hereunder. The District shall transfer, or cause to be transferred, moneys from the General Obligation Building Fund Series A to the Excess Earnings Fund in accordance with the provisions of the Tax Certificate. Amounts on deposit in the Excess Earnings Fund shall only be applied to payments

made to the United States or otherwise transferred to other accounts or funds established hereunder in accordance with the Tax Certificate.

SECTION 21. Payments of Costs of Issuance. The District shall pay, or cause to be paid, Costs of Issuance using moneys disbursed from time to time, as appropriate, from the General Obligation Building Fund Series A.

SECTION 22. Establishment of Additional Funds and Accounts. If at any time it is deemed necessary or desirable by the District, the County Office of Education may establish additional funds under this Resolution and/or accounts within any of the funds or accounts established hereunder.

SECTION 23. Redemption. The Bonds shall be subject to redemption as provided in the Contract of Purchase.

SECTION 24. Selection of Bonds for Redemption. Whenever provision is made in this Resolution or in the Contract of Purchase for the redemption of the Bonds and less than all Outstanding Bonds are to be redeemed, the Paying Agent, upon written instruction from the District given at least 60 days prior to the Interest Payment Date designated for such redemption, shall select Bonds for redemption in inverse order of maturity within a series. Within a maturity, the Paying Agent shall select Bonds for redemption by lot. Redemption by lot shall be in such manner as the Paying Agent shall determine; provided, however, that the portion of any Current Interest Bond to be redeemed in part shall be in the Principal Amount of \$5,000 or any integral multiple thereof and the portion of any Capital Appreciation Bond to be redeemed in part shall be in the Maturity Amount of \$5,000 or any integral multiple thereof. The Accreted Value of such Capital Appreciation Bond shall be determined by reference to a schedule to be provided to the Paying Agent.

SECTION 25. Notice of Redemption. When redemption is authorized or required pursuant to this Resolution or the Contract of Purchase, the Paying Agent, upon written instruction from the District given at least 60 days prior to the Interest Payment Date designated for such redemption, shall give notice (a "Redemption Notice") of the redemption of the Bonds. Such Redemption Notice shall specify: (a) the Bonds or designated portions thereof (in the case of redemption of the Bonds in part but not in whole) which are to be redeemed, (b) the date of redemption, (c) the place or places where the redemption will be made, including the name and address of the Paying Agent, (d) the redemption price, (e) the CUSIP numbers (if any) assigned to the Bonds to be redeemed, (f) the Bond numbers of the Bonds to be redeemed in whole or in part and, in the case of any Bond to be redeemed in part only, the Principal Amount or Accreted Value, as appropriate, of such Bond to be redeemed, and (g) the original issue date, interest rate and stated maturity date of each Bond to be redeemed in whole or in part. Such Redemption Notice shall further state that on the specified date there shall become due and payable upon each Bond or portion thereof being redeemed the redemption price, together with the interest accrued to the redemption date in the case of Current Interest Bonds, and that from and after such date interest with respect thereto shall cease to accrue or accrete and be payable.

The Paying Agent shall take the following actions with respect to such Redemption Notice:

(a) At least 30 but not more than 45 days prior to the redemption date, such Redemption Notice shall be given to the respective Owners of Bonds designated for redemption by first class mail, postage prepaid, at their addresses appearing on the Bond Register.

(b) In the event that the Bonds shall no longer be held in book-entry only form, at least two days before the date of the notice required by clause (a) of this Section 25, such Redemption Notice shall be given by (i) first class mail, postage prepaid, (ii) telephonically confirmed facsimile transmission, or (iii) overnight delivery service, to each of the Securities Depositories.

Neither failure to receive any Redemption Notice nor any defect in any such Redemption Notice so given shall affect the sufficiency of the proceedings for the redemption of the affected Bonds. Each check issued or other transfer of funds made by the Paying Agent for the purpose of redeeming Bonds shall bear the CUSIP number identifying, by series and maturity, the Bonds being redeemed with the proceeds of such check or other transfer.

SECTION 26. Partial Redemption of Bonds. Upon the surrender of any Bond redeemed in part only, the Paying Agent shall execute and deliver to the Owner thereof a new Bond or Bonds of like tenor and maturity and of Authorized Denominations equal in Transfer Amounts to the unredeemed portion of the Bond surrendered. Such partial redemption shall be valid upon payment of the amount required to be paid to such Owner, and the County and the District shall be released and discharged thereupon from all liability to the extent of such payment.

SECTION 27. Effect of Notice of Redemption. Notice having been given as aforesaid, and the moneys for the redemption (including the interest to the applicable date of redemption) having been set aside in the Debt Service Fund, the Bonds to be redeemed shall become due and payable on such date of redemption.

If on such redemption date, money for the redemption of all the Bonds to be redeemed as provided in Section 23 hereof, together with interest to such redemption date, shall be held by the Paying Agent so as to be available therefor on such redemption date, and if notice of redemption thereof shall have been given as aforesaid, then from and after such redemption date, interest with respect to the Bonds to be redeemed shall cease to accrue and become payable. All money held by or on behalf of the Paying Agent for the redemption of Bonds shall be held in trust for the account of the Owners of the Bonds so to be redeemed.

All Bonds paid at maturity or redeemed prior to maturity pursuant to the provisions of Sections 23, 24 and 25 shall be cancelled upon surrender thereof and delivered to or upon the order of the County and the District. All or any portion of a Bond purchased by the County or the District shall be cancelled by the Paying Agent upon written notice by the County or the District given to the Paying Agent.

SECTION 28. Paying Agent, Appointment and Acceptance of Duties.

(a) The Board and the Treasurer hereby consent to and confirm the appointment of the Treasurer to act as Paying Agent for the Bonds under this Resolution. All fees and expenses incurred for services of the Paying Agent shall be the sole responsibility of the

District. The District shall function as the dissemination agent and shall perform all duties and obligations as set forth in the Continuing Disclosure Undertaking. The Paying Agent, if other than the Treasurer acting as Paying Agent, shall have a corporate trust office in Los Angeles, California.

(b) Unless otherwise provided, the office of the Paying Agent designated by the Paying Agent shall be the place for the payment of Principal of, premium, if any, and interest on the Bonds.

SECTION 29. Liability of Paying Agent. The Paying Agent makes no representations as to the validity or sufficiency of this Resolution or of any Bonds issued hereunder or as to the security afforded by this Resolution, and the Paying Agent shall incur no liability in respect hereof or thereof.

SECTION 30. Evidence on Which Paying Agent May Act. The Paying Agent, upon receipt of any notice, resolution, request, consent, order, certificate, report, opinion, bond, or other paper or document furnished to it pursuant to any provision of this Resolution, shall examine such instrument to determine whether it conforms to the requirements of this Resolution and shall be protected in acting upon any such instrument believed by it to be genuine and to have been signed or presented by the proper party or parties. The Paying Agent may consult with counsel, who may or may not be counsel to the County or the District, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it under this Resolution in good faith and in accordance therewith.

SECTION 31. Compensation. The District shall pay to the Paying Agent from time to time reasonable compensation for all services rendered under this Resolution, and also all reasonable expenses, charges, counsel fees and other disbursements, including those of its attorneys, agents, and employees, incurred in and about the performance of their powers and duties under this Resolution. In no event shall the County be required to expend its own funds hereunder.

SECTION 32. Ownership of Bonds Permitted. The Paying Agent or the Underwriter may become the Owner of any Bonds.

SECTION 33. Resignation or Removal of Paying Agent and Appointment of Successor.

(a) The Paying Agent initially appointed hereunder may resign from service as Paying Agent and in the event the Treasurer selects a third party to perform the services of initial Paying Agent, the Treasurer may remove such Paying Agent or any subsequent Paying Agent as provided in the respective Paying Agent's service agreement. Without further action by the District, if at any time the Paying Agent shall resign or be removed, the Treasurer shall appoint a successor Paying Agent, which shall be a bank or trust company doing business in and having a corporate trust office in Los Angeles, California, with at least \$50,000,000 in net assets. The Paying Agent shall keep accurate records of all funds administered by it and of all Bonds paid and discharged by it. Such records shall be provided, upon reasonable request, to the County in a format mutually agreeable to the Paying Agent and the County. Such successor

Paying Agent shall signify the acceptance of its duties and obligations hereunder by executing and delivering to the County and the District, a written acceptance thereof. Resignation or removal of the Paying Agent shall be effective upon appointment and acceptance of a successor Paying Agent.

(b) In the event of the resignation or removal of the Paying Agent, such Paying Agent shall pay over, assign and deliver any moneys held by it as Paying Agent to its successor, or, if there is no successor, the Treasurer shall remain the Paying Agent.

SECTION 34. Investment of Certain Funds. Moneys held in all funds and accounts established hereunder shall be invested and reinvested by the Treasurer in Authorized Investments to the fullest extent practicable as shall be necessary to provide moneys when needed for payments to be made from such funds or accounts, subject to any conditions set forth in the Tax Certificate. Nothing in this Resolution shall prevent any investment securities acquired as investments of funds held hereunder from being issued or held in book-entry form on the books of the Department of the Treasury of the United States. All investment earnings on amounts on deposit in the General Obligation Building Fund Series A, the Excess Earnings Fund and the Debt Service Fund shall remain on deposit in such funds.

SECTION 35. Valuation and Sale of Investments. Obligations purchased as an investment of moneys in any fund or account shall be deemed at all times to be a part of such fund or account. Profits or losses attributable to any fund or account shall be credited or charged to such fund or account. In computing the amount in any fund or account created under the provisions of this Resolution for any purpose provided in this Resolution, obligations purchased as an investment of moneys therein shall be valued at cost, plus, where applicable, accrued interest.

SECTION 36. Supplemental Resolutions With Consent of Owners. This Resolution, and the rights and obligations of the County, the District and of the Owners of the Bonds issued hereunder, may be modified or amended at any time by a Supplemental Resolution adopted by the County with the written consent of Owners owning at least 60% in aggregate Bond Obligation of the Outstanding Bonds, exclusive of Bonds, if any, owned by the County or the District; provided, however, that so long as the Bond Insurance Policy is in effect, and provided that the Bond Insurer complies with its obligations thereunder, the Bond Insurer shall be deemed to be the sole Owner of the Bonds for purposes of this sentence. Notwithstanding the foregoing, no such modification or amendment shall, without the express consent of the Owner of each Bond affected, reduce the Principal Amount of any Bond, reduce the interest rate payable thereon, advance the earliest redemption date thereof, extend its maturity or the times for paying interest thereon or change the monetary medium in which Principal and interest is payable, nor shall any modification or amendment reduce the percentage of consents required for amendment or modification thereof or hereof. No such Supplemental Resolution shall change or modify any of the rights or obligations of any Paying Agent without its written assent thereto. Notwithstanding anything herein to the contrary, no such consent shall be required if the Owners are not directly and adversely affected by such amendment or modification.

SECTION 37. Supplemental Resolutions Effective Without Consent of Owners. For any one or more of the following purposes and at any time or from time to time, a

Supplemental Resolution of the County may be adopted, which, without the requirement of consent of the Owners, shall be fully effective in accordance with its terms:

(a) To add to the covenants and agreements of the County or the District in this Resolution, other covenants and agreements to be observed by the County or the District which are not contrary to or inconsistent with this Resolution as theretofore in effect;

(b) To add to the limitations and restrictions in this Resolution, other limitations and restrictions to be observed by the County or the District which are not contrary to or inconsistent with this Resolution as theretofore in effect;

(c) To confirm as further assurance, any pledge under, and the subjection to any lien or pledge created or to be created by this Resolution, of any moneys, securities or funds, or to establish any additional funds, or accounts to be held under this Resolution;

(d) To cure any ambiguity, supply any omission, or cure to correct any defect or inconsistent provision in this Resolution; or

(e) To amend or supplement this Resolution in any other respect, provided such Supplemental Resolution does not, in the opinion of nationally recognized bond counsel, adversely affect the interests of the Owners.

SECTION 38. Effect of Supplemental Resolution. Any act done pursuant to a modification or amendment so consented to shall be binding upon the Owners of all the Bonds and shall not be deemed an infringement of any of the provisions of this Resolution, whatever the character of such act may be, and may be done and performed as fully and freely as if expressly permitted by the terms of this Resolution, and after consent relating to such specified matters has been given, no Owner shall have any right or interest to object to such action or in any manner to question the propriety thereof or to enjoin or restrain the County or the District or any officer or agent of either from taking any action pursuant thereto.

SECTION 39. Defeasance. If all Outstanding Bonds shall be paid and discharged in any one or more of the following ways:

(1) by well and truly paying or causing to be paid the Principal of and interest on all Bonds Outstanding, and when the same become due and payable;

(2) by depositing with the Paying Agent, in trust, at or before maturity, cash which, together with the amounts then on deposit in the Debt Service Fund plus the interest to accrue thereon without the need for further investment, is fully sufficient to pay all Bonds Outstanding at maturity thereof, including any premium and all interest thereon, notwithstanding that any Bonds shall not have been surrendered for payment; or

(3) by depositing with an institution to act as escrow agent selected by the District and approved by the County and which meets the requirements of serving as Paying Agent pursuant to Section 33, in trust, lawful money or noncallable direct obligations issued by the United States Treasury (including State and Local Government Series Obligations) or obligations which are unconditionally guaranteed by the United

States of America and permitted under Section 149(b) of the Code and Regulations which, in the opinion of nationally recognized bond counsel, will not impair the exclusion from gross income for federal income tax purposes of interest on the Bonds, in such amount as will, together with the interest to accrue thereon without the need for further investment, be fully sufficient, in the opinion of a verification agent satisfactory to the County, to pay and discharge all Bonds Outstanding at maturity thereof, including any premium and all interest thereon, notwithstanding that any Bonds shall not have been surrendered for payment;

then all obligations of the County, the District and the Paying Agent under this Resolution with respect to all Outstanding Bonds shall cease and terminate, except only the obligation of the Paying Agent to pay or cause to be paid to the Owners of the Bonds all sums due thereon, and the obligation of the District to pay to the Paying Agent amounts owing to the Paying Agent under Section 31 hereof.

SECTION 40. Bond Insurance. All or a portion of the Bonds may be sold with bond insurance or other form of credit enhancement, if the Treasurer, in consultation with the Underwriter and the District, determines that the savings to the District resulting from the purchase of such bond insurance exceeds the cost thereof.

The foregoing resolution was, on the ____ day of February, 2003, adopted by the Board of Supervisors of the County of Los Angeles and ex-officio the governing body of all other special assessment and taxing districts, agencies and authorities for which said Board so acts.

[The Bonds of this issue are comprised of \$ _____ Principal Amount of Current Interest Bonds, of which this Bond is a part (a "Current Interest Bond") and \$ _____ Principal Amount of Capital Appreciation Bonds.] This Bond is issued by the County of Los

Angeles (the "County") in the name of and on behalf of the District under and in accordance with the provisions of (i) Title 1, Division 1, Part 10, Chapter 1.5 of the California Education Code (commencing with Section 15100) (the "Act") and (ii) Article XIII A of the California Constitution, and pursuant to that certain "Resolution of the Board of Supervisors of the County of Los Angeles, California Authorizing the Issuance and Sale of General Obligation Bonds, 2002 Election, Series A, of the Lynwood Unified School District in an Aggregate Principal Amount Not to Exceed \$20,000,000" adopted by the Board of Supervisors of the County on February ___, 2003 (the "Resolution"). Reference is hereby made to the Resolution, a copy of which is on file at the office of the Treasurer of the County, for a description of the terms on which the Bonds are delivered, and the rights thereunder of the registered owners of the Bonds and the rights and duties of the Paying Agent, the County and the District, to all of the provisions of which the registered owner of this Bond, by acceptance hereof, assents and agrees. All capitalized terms used but not otherwise defined herein shall have the respective meanings set forth in the Resolution. The Bonds were authorized by a vote of 55% of the qualified electors of the District voting on the proposition at a general election held therein to determine whether such Bonds should be issued.

This Bond is a general obligation of the District, payable as to both Principal and interest from *ad valorem* taxes which, under the laws now in force, may be levied without limitation as to rate or amount upon all of the taxable property in the District. Neither the payment of the Principal of this Bond, or any part thereof, nor any interest or premium hereon constitute a debt, liability or obligation of the County.

This Bond is issued in fully registered form and is nonnegotiable. Registration of this Bond is transferable by the registered owner hereof, in person or by his attorney duly authorized in writing, at the aforesaid offices of the Paying Agent, but only in the manner, subject to the limitations, and upon payment of the charges, provided in the Resolution and upon surrender and cancellation of this Bond. Upon such registration of transfer, a new Bond or Bonds, of like tenor and maturity in the same Transfer Amount and in authorized denominations will be issued to the transferee in exchange herefor. The District, the County and the Paying Agent may treat the registered owner hereof as the absolute owner hereof for all purposes, whether or not this Bond shall be overdue, and shall not be affected by any notice to the contrary.

Current Interest Bonds maturing on or before [February 1], ___ shall not be subject to redemption prior to their maturity dates. Current Interest Bonds maturing on or before [February 1], ___ may be redeemed before maturity at the option of the District, from any source of funds, on [February 1], ___ or on any Interest Payment Date thereafter as a whole, or in part, in inverse order of maturity and by lot within a maturity. For the purposes of such selection, Current Interest Bonds will be deemed to consist of \$5,000 portions by Maturity Amount, and any such portion may be separately redeemed. The Current Interest Bonds called prior to maturity will be redeemed at the following redemption prices, expressed as a percentage of par value, at the principal amount thereof, together with accrued interest to the date of redemption.

The rights and obligations of the County and of the owners of the Bonds may be modified or amended at any time by a supplemental resolution adopted by the County with the written consent of owners of at least 60% in aggregate Bond Obligation of the Outstanding

Bonds, exclusive of Bonds, if any, owned by the County; provided, however, that no such modification or amendment shall, without the express consent of the registered owner of each Bond affected, reduce the Principal Amount of any Bond, reduce the interest rate payable thereon, extend its maturity or the times for paying interest thereon or change the monetary medium in which the Principal and interest is payable, nor shall any modification or amendment reduce the percentage of consents required for amendment or modification hereof.

A supplemental resolution of the County may be adopted, which, without the requirement of consent of the registered owners, shall be fully effective in accordance with its terms: (1) to add to the covenants and agreements of the County in the Resolution, other covenants and agreements to be observed by the County or the District which are not contrary to or inconsistent with the Resolution as theretofore in effect; (2) to add to the limitations and restrictions in the Resolution, other limitations and restrictions to be observed by the County or the District which are not contrary to or inconsistent with the Resolution as theretofore in effect; (3) to confirm as further assurance, any pledge under, and the subjection to any lien or pledge created or to be created by the Resolution, of any moneys, securities or funds, or to establish any additional funds or accounts to be held under the Resolution; (4) to cure any ambiguity, supply any omission, or cure or correct any defect or inconsistent provision in the Resolution; or (5) to amend or supplement the Resolution in any other respect, provided such supplemental resolution does not, in the opinion of nationally recognized bond counsel, adversely affect the interests of the owners.

If this Bond is called for redemption and the Principal Amount of this Bond plus premium, if any, and accrued interest due with respect hereto are duly provided therefor as specified in the Resolution, then interest shall cease to accrue with respect hereto from and after the date fixed for redemption.

This Bond shall not become valid or obligatory for any purpose until the Certificate of Authentication hereon endorsed shall have been dated and executed manually by the Paying Agent.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED, that an election was duly and legally called, held and conducted, and the notices thereof duly given, and the results thereof canvassed and declared in accordance with the provisions of the Act and that all of the proceedings of the Governing Board of the District and of the Board of Supervisors of the County in the matter of the issuance of this Bond were regular and in strict accordance with the provisions of the Act and of the Constitution of the State of California, and that the total bonded indebtedness of the District, including the issue of which this Bond is a part, does not exceed any limit prescribed by said Act.

IN WITNESS WHEREOF, the County of Los Angeles has caused this Bond to be executed on behalf of the District and in their official capacities by the manual or facsimile signature of the Chair of the Board of Supervisors of the County and the Treasurer and Tax Collector of the County, and to be countersigned by the manual or facsimile signature of the Executive Officer - Clerk of the Board of Supervisors of the County, and has caused the seal of the County to be affixed hereto as of the date stated above.

		[April 1, 2028]		

REGISTERED OWNER:

PRINCIPAL AMOUNT:

MATURITY AMOUNT:

The Lynwood Unified School District of the County of Los Angeles (the "District"), State of California, for value received, hereby acknowledges itself indebted and promises to pay to the Registered Owner set forth above the Maturity Amount set forth above, on the Maturity Date set forth above. Interest on this Bond with respect to the Principal Amount hereof will accrue at the Interest Rate per annum shown above from the Dated Date shown above and will be compounded semiannually on February 1 and August 1 of each year until maturity, computed using a year of 360 days comprised of twelve 30-day months and shall be payable only at maturity as part of the Maturity Amount. The Accreted Value hereof is payable at the office of the Treasurer and Tax Collector of the County of Los Angeles, as paying agent (the "Paying Agent"), or at the office of a successor Paying Agent appointed by the Treasurer and Tax Collector.

[The bonds of this issue are comprised of \$_____ of Principal Amount of Capital Appreciation Bonds of which this Bond is a part (a "Capital Appreciation Bond") and \$_____ Principal Amount of Current Interest Bonds.] This Bond is issued by the County of Los Angeles (the "County") in the name of and on behalf of the District under and in accordance with the provisions of (i) Title 1, Division 1, Part 10, Chapter 1.5 of the California Education Code (commencing with Section 15100) (the "Act") and (ii) Article XIII A of the California Constitution, and pursuant to that certain "Resolution of the Board of Supervisors of the County of Los Angeles, California Authorizing the Issuance and Sale of General Obligations Bonds, 2002 Election, Series A, of the Lynwood Unified School District in an Aggregate Amount Not to Exceed \$20,000,000" adopted by the Board of Supervisors of the County on February __, 2003 (the "Resolution"). Reference is hereby made to the Resolution, a copy of which is on file at the office of the Treasurer of the County, for a description of the terms on

which the Bonds are delivered, and the rights thereunder of the registered owners of the Bonds and the rights and duties of the Paying Agent, the County and the District, to all of the provisions of which the registered owner of this Bond, by acceptance hereof, assents and agrees. All capitalized terms used but not otherwise defined herein shall have the respective meanings set forth in the Resolution. The Bonds were authorized by a vote of 55% of the qualified electors of the District voting on the proposition at a general election held therein to determine whether such Bonds should be issued.

This Bond is a general obligation of the District, payable as to Maturity Amount from *ad valorem* taxes which, under the laws now in force, may be levied without limitation as to rate or amount upon all of the taxable property in the District. Neither the payment of the Maturity Amount of this Bond, or any part hereof, nor any premium hereon constitute a debt, liability or obligation of the County.

This Bond is issued in fully registered form and is nonnegotiable. Registration of this Bond is transferable by the registered owner hereof, in person or by his attorney duly authorized in writing, at the aforesaid offices of the Paying Agent, but only in the manner, subject to the limitations, and upon payment of the charges, provided in the Resolution and upon surrender and cancellation of this Bond. Upon such registration of transfer, a new Bond or Bonds, of like tenor and maturity in the same Transfer Amount and in authorized denominations will be issued to the transferee in exchange herefor. The District, the County and the Paying Agent may treat the registered owner hereof as the absolute owner hereof for all purposes, whether or not this Bond shall be overdue, and shall not be affected by any notice to the contrary.

[The Capital Appreciation Bonds are subject to mandatory redemption prior to their maturity date, by lot, at the Accreted Value thereof, without premium, on each February 1, in the years and in an amount equal to the aggregate Accreted Values set forth below:]

<u>Redemption Date</u>	<u>Accreted Value To Be Redeemed</u>
------------------------	--

The rights and obligations of the County and of the owners of the Bonds may be modified or amended at any time by a supplemental resolution adopted by the County with the written consent of owners of at least 60% in aggregate Bond Obligation of the Outstanding Bonds, exclusive of Bonds, if any, owned by the County; provided, however, that no such modification or amendment shall, without the express consent of the registered owner of each Bond affected, reduce the Principal Amount of any Bond, reduce the interest rate payable thereon, extend its maturity or the times for paying interest thereon, extend its maturity or the times for paying interest thereon or change the monetary medium in which the Principal and interest is payable, nor shall any modification or amendment reduce the percentage of consents required for amendment or modification hereof.

A supplemental resolution of the County may be adopted, which, without the requirement of consent of the registered owners, shall be fully effective in accordance with its terms: (1) to add to the covenants and agreements of the County in the Resolution, other

covenants and agreements to be observed by the County which are not contrary to or inconsistent with the Resolution as theretofore in effect; (2) to add to the limitations and restrictions in the Resolution, other limitations and restrictions to be observed by the County which are not contrary to or inconsistent with the Resolution as theretofore in effect; (3) to confirm as further assurance, any pledge under, and the subjection to any lien or pledge created or to be created by the Resolution, of any moneys, securities or funds, or to establish any additional funds or accounts to be held under the Resolution; (4) to cure any ambiguity, supply any omission, or cure or correct any defect or inconsistent provision in the Resolution; or (5) to amend or supplement the Resolution in any other respect, provided such supplemental resolution does not, in the opinion of nationally recognized bond counsel, adversely affect the interests of the owners.

If this Bond is called for redemption and the Maturity Amount, without premium, is duly provided therefor as specified in the Resolution, then interest shall cease to accrete with respect hereto from and after the date fixed for redemption.

This Bond shall not become valid or obligatory for any purpose until the Certificate of Authentication hereon endorsed shall have been dated and executed manually by the Paying Agent.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED, that an election was duly and legally called, held and conducted, and the notices thereof duly given, and the results thereof canvassed and declared in accordance with the provisions of the Act and that all of the proceedings of the Governing Board of the District and of the Board of Supervisors of the County in the matter of the issuance of this Bond were regular and in strict accordance with the provisions of the Act and of the Constitution of the State of California, and that the total bonded indebtedness of the District, including the issue of which this Bond is a part, does not exceed any limit prescribed by said Act.

IN WITNESS WHEREOF, the County of Los Angeles has caused this Bond to be executed on behalf of the District and in their official capacities by the manual or facsimile signature of the Chair of the Board of Supervisors of the County and the Treasurer and Tax Collector of the County, and to be countersigned by the manual or facsimile signature of the Executive Officer-Clerk of the Board of Supervisors of the County, and has caused the seal of the County to be affixed hereto as of the date stated above.

Ladies and Gentlemen:

The undersigned (the "Underwriter") offers to enter into this Contract of Purchase (the "Contract of Purchase") with the County of Los Angeles (the "County") and Lynwood Unified School District (the "District"), which, upon your acceptance hereof, will be binding upon the County, the District and the Underwriter. This offer is made subject to the written acceptance of this Contract of Purchase by the County and the District and delivery of such acceptance to us at or prior to 11:59 P.M., California Time, on the date hereof.

1. **Purchase and Sale of the Bonds.** Upon the terms and conditions and in reliance upon the representations, warranties and agreements herein set forth, the Underwriter hereby agrees to purchase from the County for reoffering to the public, and the County hereby agrees to sell to the Underwriter for such purpose, all (but not less than all) of \$_____ in aggregate principal amount of the District's General Obligation Bonds, 2002 Election, Series A (the "Bonds") and the Underwriter hereby agrees to purchase the Bonds for reoffering to the public. The Bonds shall bear interest as current interest bonds at the rates with the yields to maturity, and shall mature in the years shown on Exhibit A hereto, which is incorporated herein by this reference. The Underwriter shall purchase the Bonds at a price of \$_____, (consisting of the aggregate initial principal amount of the Bonds of \$_____, plus net original issue premium of \$_____, less an Underwriter's discount of \$_____, less \$_____ to be used by the Underwriter to pay costs of issuance, and less bond insurance premium of \$_____). The original issue premium shall be retained by the Underwriter to pay a portion of the costs of issuance, as provided below. If, after payment of all costs of issuance, the amount paid by the Underwriter for such purpose is

less than \$_____, then the remaining amount of the original issue premium shall be paid by the Underwriter to the District for deposit into the District's Debt Service Fund.

2. **The Bonds.** The Bonds shall be dated as of their date of delivery and shall mature on August 1 in the years shown on Exhibit A hereto, with a final odd maturity no later than April 1, 2028. The Bonds shall otherwise be as described in, and shall be issued and secured pursuant to the provisions of the Resolution of the District adopted on January __, 2003 (the "District Resolution"), and pursuant to the Resolution of the County adopted on February __, 2003 (the "County Resolution" and, collectively with the District Resolution, the "Resolutions"), or Section 15100 *et seq.*, of the California Education Code (the "Act"). The Paying Agent for the Bonds, as designated by the County Resolution, shall be the Treasurer and Tax Collector of the County of Los Angeles (the "Paying Agent").

The Bonds shall be executed and delivered under and in accordance with the provisions of this Contract of Purchase and the Resolutions, as the Resolutions may be modified hereby. The Bonds shall be in book-entry form, shall bear CUSIP numbers, shall be in fully registered form, registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York ("DTC"); the Bonds shall be in authorized denominations of \$5,000 each or any integral multiple thereof, except that one maturity may be in an irregular amount. The Bonds shall be delivered to DTC at least one business day prior to the Closing.

Dependent upon pricing and availability, the Bonds shall be secured by a policy of municipal bond insurance selected by the District and acceptable to the Underwriter.

3. **Use of Documents.** The County and the District hereby authorize the Underwriter to use, in connection with the offering and sale of the Bonds, this Contract of Purchase, the Official Statement, the District Resolution, the County Resolution and all information contained herein and therein and all of the documents, certificates or statements furnished by the County or the District to the Underwriter in connection with the transactions contemplated by this Contract of Purchase.

4. **Public Offering of the Bonds.** The Underwriter agrees to make a *bona fide* public offering of all the Bonds at the initial public offering price or yield to be set forth on the cover page of the Official Statement. Subsequent to such initial public offering, the Underwriter reserves the right to change such initial public offering price or yield as it deems necessary in connection with the marketing of the Bonds.

5. **Official Statement.** The District has caused to be drafted a Preliminary Official Statement (the "Preliminary Official Statement"), including the cover page and Appendices thereto, relating to the Bonds. The District represents that it deems the Preliminary Official Statement to be final as of its date, except for either revision or addition of the offering price(s), interest rate(s), yield(s) to maturity, selling compensation, aggregate principal amount, principal amount per maturity, delivery date, rating(s) and other terms of the Bonds which depend upon the foregoing as provided in and pursuant to Rule 15c2-12 of the Securities and Exchange Commission under the Securities and Exchange Act of 1934, as amended (the "Rule").

The Underwriter agrees that prior to the time the final Official Statement relating to the Bonds is available, the Underwriter will send to any potential purchaser of the Bonds, upon the request of such potential purchaser, a copy of the Preliminary Official Statement. Such Preliminary Official Statement shall be sent by first class mail (or other equally prompt means) not later than the first business day following the date upon which each such request is received.

6. **Closing.** At 9:00 a.m., California Time, on [April 24], 2003, or at such other time or on such other date as shall have been mutually agreed upon by the District and the Underwriter (the "Closing"), the District will deliver to the Underwriter, at the offices of DTC, or at such other place as the parties may mutually agree upon, the Bonds in book-entry form, duly executed and registered as provided in paragraph 2 above, together with the other documents hereinafter mentioned; and the Underwriter will accept such delivery and pay the purchase price thereof in immediately available funds by wire transfer to an account or accounts within the United States designated by the District. The Underwriter shall pay or provide for payment of the costs of issuance of the Bonds from original issue premium retained by the Underwriter.

7. **Representations, Warranties and Agreements of the District.** The District hereby represents, warrants and agrees with the Underwriter that:

A. The District is a unified school district duly organized and validly existing under the laws of the State of California, with the power to request the County to issue the Bonds pursuant to the Act.

B. C. No consent, approval, authorization, order, filing, registration, qualification, election or referendum, of or by any person, organization, court or governmental agency or public body whatsoever is required in connection with the issuance, delivery or sale of the Bonds or the consummation of the other transactions effected or contemplated herein or hereby, except for such actions may be to qualify the Bonds for offer and sale under the Blue Sky or other securities laws and regulations of such states and jurisdictions of the United States and the Underwriter may reasonably request, or which have not been taken or obtained; provided, however, that the District shall not be required to subject itself

to service of process in any jurisdiction in which it is not so subject as of the date hereof.

D. The District has complied with the requirements of the Internal Revenue Code of 1986, as amended, applicable to the Bonds.

E. To the best knowledge of the District, the issuance of the Bonds, and the execution, delivery and performance of this Contract of Purchase, the District Resolution, the Continuing Disclosure Agreement respecting the Bonds (the "Continuing Disclosure Agreement") and the Bonds, and the compliance with the provisions hereof do not conflict with or constitute on the part of the District a violation of or default under, the Constitution of the State of California or any existing law, charter, ordinance, regulation, decree, order or resolution and do not conflict with or result in a violation or breach of, or constitute a default under, any agreement, indenture, mortgage, lease or other instrument to which the District is a party or by which it is bound or to which it is subject.

F. As of the time of acceptance hereof no action, suit, hearing or investigation is pending or, to the best knowledge of the District, threatened: (i) in any way affecting the existence of the District or in any way challenging the respective powers of the several offices or the titles of the officials of the District to such offices; or (ii) seeking to restrain or enjoin the sale, issuance or delivery of the Bonds, the application of the proceeds of the sale of the Bonds, or the collection of revenues or assets of the District available to pay the principal of and interest on the Bonds, or in any way contesting or affecting the validity or enforceability of the Bonds, this Contract of Purchase or the District Resolution or contesting the powers of the District or its authority with respect to the Bonds, this Contract of Purchase or the District Resolution; or (iii) in which a final adverse decision could (a) materially adversely affect the operations of the District or the consummation of the transactions contemplated by this Contract of Purchase or the District Resolution, (b) declare this Contract of Purchase to be invalid or unenforceable in whole or in material part, or (c) adversely affect the exclusion of the interest paid on the Bonds from gross income for federal income tax purposes or the exemption of such interest from California personal income taxation.

G. Between the date hereof and the Closing without the prior written consent of the Underwriter, neither the District nor the County in the name and on behalf of the District, will have issued in the name and on behalf of the District, any bonds, notes or other obligations for borrowed money except for such borrowings as may be described in or contemplated by the Official Statement.

H. The District has not been notified of any listing or proposed listing by the Internal Revenue Service to the effect that the District is a bond issuer whose arbitrage certificates may not be relied upon.

I. Any certificates signed by any officer of the District and delivered to the Underwriter shall be deemed a representation and warranty by the District to the Underwriter, but not by the person signing the same, as to the statements made therein.

J. With respect to any certificates by the District pursuant to Section 42131 of the Education Code of the State, the District has not received, and for the next reporting period does not expect to receive, a qualified or negative classification from the County Superintendent of Schools.

K. In accordance with the requirements of Rule 15c2-12 (the "Rule") promulgated by the Securities and Exchange Commission, the District will enter into the Continuing Disclosure Agreement, upon or prior to the sale of the Bonds, in which the District will undertake, for the benefit of the Owners of the Bonds, to provide certain information as set forth therein.

8. **Representations by the County.** The County represents and warrants to the Underwriter that:

A. As of the time of acceptance hereof, to the best knowledge of the County, no action, suit, hearing or investigation is pending or, threatened against the County: (i) in any way affecting the existence of the County or in any way challenging the respective powers of the several offices or the titles of the officials of the County to such offices; or (ii) seeking to restrain or enjoin the sale, issuance or delivery of any of the Bonds, the application of the proceeds of the sale of the Bonds, or the collection of revenues or assets of the District pledged or to be pledged or available to pay the principal of and interest on the Bonds, or in any way contesting or affecting the validity or enforceability of the Bonds, this Contract of Purchase or the County Resolution or contesting the powers of the County or its authority with respect to the Bonds, this Contract of Purchase or the County Resolution; or (iii) in which a final adverse decision would (a) declare this Contract of Purchase to be invalid or unenforceable in whole or in material part, or (b) adversely affect the exclusion of the interest paid on the Bonds from gross income for federal income tax purposes or the exemption of such interest from California personal income taxation.

B. The County has not been notified of any listing or proposed listing by the Internal Revenue Service to the effect that the County is a bond issuer whose arbitrage certificates may not be relied upon.

C. Any certificates signed by an officer of the County and delivered to the Underwriter shall be deemed a representation and warranty by the County to the Underwriter, but not by the person signing the same, as to the statements made therein.

9. **Covenants of the District.** The District covenants and agrees with the Underwriter that:

A. The District will furnish such information, execute such instruments, and take such other action in cooperation with the Underwriter if and as the Underwriter may reasonably request in order to qualify the Bonds for offer and sale under the Blue Sky or other securities laws and regulations of such states and jurisdictions, provided, however, that the District shall not be required to consent to service of process in any jurisdiction in which it is not so subject as of the date hereof;

B. The District agrees to apply the proceeds from the sale of the Bonds for the purposes specified in the Resolutions;

C. The District hereby agrees to deliver or cause to be delivered to the Underwriter, not later than the seventh (7th) business day following the date this Contract of Purchase is signed, copies of a final Official Statement substantially in the form of the Preliminary Official Statement, with only such changes therein as shall have been reasonably accepted by the Underwriter and the District (such Official Statement with such changes, if any, and including the cover page and all appendices, exhibits, maps, reports and statements included therein or attached thereto being herein called the "Official Statement") in such quantities as may be requested by the Underwriter not later than five (5) business days following the date this Contract of Purchase is signed, in order to permit the Underwriter to comply with paragraph (b)(4) of the Rule and with the rules of the Municipal Securities Rulemaking Board; provided, however, that the failure of the District to comply with this requirement due solely to the acts of the Underwriter, its Counsel or agents, shall not be considered cause for the Underwriter to refuse to accept delivery of and pay for the Bonds. The District hereby authorizes the Underwriter to use and distribute the Official Statement in connection with the offering and sale of the Bonds;

D. For a period of ninety (90) days after the Closing or until such time (if earlier) as the Underwriter shall no longer hold any of the Bonds for sale, the District will not adopt any amendment of or supplement to the Official Statement to which, after having been furnished with a copy, the Underwriter shall object in writing or which shall be disapproved by the Underwriter; and if any event relating to or affecting the District or the Bonds shall occur which might affect the correctness or completeness of any statement of a material fact contained in the Official Statement, the District will promptly notify the Underwriter in writing of the circumstances and details of such event. If, as a result of such event or any other event, it is necessary, in the reasonable opinion of Bond Counsel or the Underwriter, to amend or supplement the Official Statement in order to make the statements therein, in light of the circumstances under which they were made, not misleading and shall have so advised the District, the District will forthwith cooperate with the Underwriter in the prompt preparation and furnishing to the Underwriter, at the expense of the District, of a reasonable number of copies of an amendment of or a supplement to the Official Statement, in form and substance reasonably satisfactory to the Underwriter, which will so amend or supplement the Official Statement so that, as amended or supplemented, it will not contain

any untrue statement of a material fact or omit to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading.

10. **Conditions to Closing.** The Underwriter has entered into this Contract of Purchase in reliance upon the representations and warranties of the District contained herein and the performance by the District of its obligations hereunder, both as of the date hereof and as of the date of Closing. The Underwriter's obligations under this Contract of Purchase are and shall be subject at the option of the Underwriter, to the following further conditions at the Closing:

A. The representations and warranties of the District contained herein shall be true, complete and correct in all material respects at the date hereof and at and as of the Closing, as if made at and as of the Closing, and the statements made in all certificates and other documents delivered to the Underwriter at the Closing pursuant hereto shall be true, complete and correct in all material respects on the date of the Closing; and the District shall be in compliance with each of the agreements made by it in this Contract of Purchase;

C. No decision, ruling or finding shall have been entered by any court or governmental authority since the date of this Contract of Purchase (and not reversed on appeal or otherwise set aside), or to the best knowledge of the District, pending or threatened, which has any of the effects described in Section 8.A. hereof, or contesting in any way the completeness or accuracy of the Official Statement;

D. Between the date hereof and the Closing, the market price for the Bonds, or the market for or marketability of the Bonds at the initial offering prices set forth in the Official Statement, or the ability of the Underwriter to enforce contracts for the sale of the Bonds, shall not have been materially adversely affected in the reasonable professional judgment of the Underwriter (evidenced by a written notice to the District terminating the obligation of the Underwriter to accept delivery of and pay for the Bonds) by reason of any of the following:

- (1) legislation enacted by the Congress of the United States, or passed by either House of the Congress, or favorably reported for passage to either House of the Congress by any Committee of such House to which such legislation has been referred for consideration, or by the legislature of

 - (ii) by or on behalf of the Securities and Exchange Commission, or any other governmental agency having jurisdiction over the subject matter thereof, to the effect that the Bonds, or obligations of the general character of the Bonds, including any and all underlying arrangements, are not exempt from registration under the Securities Act of 1933, as amended;

WHEREAS, the District Board has determined that financial market conditions are favorable for the issuance and sale of not to exceed \$20,000,000 of the Authorization to be used for the acquisition, construction, improvement, equipping and furnishing of certain capital facilities of the District and the prepayment of certain Variable Rate Demand Certificates of Participation (Bridge Financing Program) 2002 Series A (the "Refunded Certificates"); and

WHEREAS, the District Board hereby determines that such bonds should be offered at this time, in one or more series, and requests the County Board to offer such bonds for sale; and

WHEREAS, the District Board has previously retained George K. Baum & Company as its Underwriter (the "Underwriter") and Fulbright & Jaworski L.L.P. as its Bond Counsel ("Bond Counsel") and Disclosure Counsel ("Disclosure Counsel") in connection with the issuance of such bonds;

NOW, THEREFORE, BE IT RESOLVED by the Board of Education of Lynwood Unified School District, as follows:

Section 1. This District Board hereby determines that general obligation bonds of the District in the aggregate principal or issue amount of not to exceed \$20,000,000 be offered for sale, in one or more series (the "Bonds"), as more particularly described in Section 2 below, the proceeds of which are to be used for the acquisition, construction, improvement, equipping and furnishing of certain capital facilities of the District, as set forth in the bond proposition approved at the Election.

Section 2. For the above purposes, this District Board hereby requests the County Board to issue the Bonds and to order such Bonds to be sold to the Underwriter at a negotiated sale in accordance with a Purchase Contract to be prepared and entered into by and among the District, the County and the Underwriter in connection with the sale of the Bonds (the "Purchase Contract"). The Bonds shall be dated their date of delivery (or such other date as may be designated in the Purchase Contract), to bear or accrete interest at rates not to exceed 8.0% per annum, payable with respect to any Bonds bearing current interest on the dates as may be set forth in the Purchase Contract, and accreting with respect to any Bonds which are issued as capital appreciation bonds, payable upon maturity or conversion, shall mature on April 1 of each of the years as set forth in the Purchase Contract, through a date no later than April 1, 2028, or otherwise upon such other terms and conditions as shall be established for the Bonds by the Purchase Contract. The form of Purchase Contract on file with the District Board is hereby approved and the Superintendent of the District (the "Superintendent"), the Facilities Planner of the District (the "Facilities Planner"), or any designee thereof (each, an "Authorized Officer"), and each of them is hereby authorized to execute the Purchase Contract, with such changes therein, deletions therefrom and modifications thereto as such Authorized Officer may approve, such approval to be conclusively evidenced by the execution and delivery thereof. The District has instructed the Underwriter to establish the terms, series, interest structure and redemption provisions for the Bonds in order to take advantage of financial market conditions prevailing at the date of sale of the Bonds under the Purchase Contract. Depending upon market conditions, the District may elect to purchase bond insurance to secure the payment of principal of and interest on or accreted value of the Bonds, or one series thereof, following consultation with the Treasurer and Tax Collector of the County (the "Treasurer").

Section 3. The District Board hereby approves the form of Preliminary Official Statement relating to the Bonds on file with the Secretary of the District Board and to be used and distributed, together with an Official Statement in connection with the sale of the Bonds, in each case with such changes as are approved by the Authorized Officer, and such other officers of the District as may be authorized by the District Board are, and each of them acting alone hereby is, authorized to deliver copies of the Preliminary Official Statement and the Official Statement with such changes therein as such officer shall approve, in his or her discretion, as being in the best interests of the District. Upon approval of such changes by such officer, the Preliminary Official Statement shall be "deemed final" as of its date except for the omission of certain information as provided in and pursuant to Rule 15c2-12 promulgated under the Securities Exchange Act of 1934 (the "Rule"). Any Authorized Officer is hereby authorized and directed to execute such Official Statement with such changes therein, deletions therefrom and modifications thereto as such Authorized Officer may approve, such approval to be conclusively evidenced by the execution and delivery thereof.

Section 4. The District Board hereby approves the form of the Escrow Deposit and Trust Agreement submitted herewith, by and between the District and U.S. Bank, N.A. as Escrow Agent (the "Escrow Agreement") relating to the prepayment of the Refunded Certificates, with a portion of the proceeds of the Bonds, on file with the Secretary of the District Board, to be used for the purpose of effecting a current refunding of the Refunded Certificates. Any Authorized Officer is hereby authorized and directed to execute such Escrow Agreement with such changes therein, deletions therefrom and modifications thereto as such Authorized Officer may approve, such approval to be conclusively evidenced by the execution and delivery thereof. The Authorized Officer shall take such other actions as may be necessary or advisable, upon the advice of Bond Counsel, to consummate the refunding of the Refunded Certificates in accordance with their terms.

Section 5. The Bonds shall be issued in book-entry only form, to be lodged with The Depository Trust Company ("DTC") in New York, New York, which shall be the registered owner of the Bonds issued at the closing in the form of a single certificated Bond for each maturity within a series of the Bonds described in the Purchase Contract. The Underwriter is directed to assist the District and the County in qualifying the Bonds for deposit with DTC.

Section 6. Unless the Treasurer shall appoint a commercial bank as paying agent in connection with the closing of the Bonds, the Treasurer shall serve as Paying Agent for the Bonds, the first annual fees for which shall be paid from proceeds of the Bonds; subsequent annual fees shall be paid from the general fund of the District. The District Board hereby authorizes the Authorized Officer to execute a paying agent agreement, if required, for and on behalf of the District.

Section 7. The District hereby covenants that it shall not, directly or indirectly, use or permit the use of any proceeds of any of the Bonds, or of any of the property financed or refinanced with the proceeds of the Bonds, or other funds of the District, or take or omit to take any action that would cause the Bonds to be deemed "arbitrage bonds" within the meaning of Section 148 of the Internal Revenue Code of 1986, as amended (the "Code"). To that end, the District shall comply with all requirements of Section 148 of the Code and all regulations of the United States Department of the Treasury promulgated thereunder to the extent that such requirements are in effect and applicable to the Bonds.

Section 8. The District covenants to comply with all the procedures and provisions set forth in the Arbitrage and Use of Proceeds Certificate, and will do and perform all acts and things necessary in order to assure that interest paid on the Bonds shall be excluded from gross income of the owners thereof for purposes of federal income taxation.

Section 9. The District Board determines that all acts and conditions necessary to be performed by the District Board or to have been met precedent to and in the issuing and sale of the Bonds in order to make them the legal, valid and binding general obligations of the District have been performed and have been met, or will at the time of delivery of the Bonds have been performed and met, in regular and due form as required by law; that the full faith, credit and revenues of the District are hereby pledged for the timely payment of the principal of and interest on the Bonds; and that no statutory or Constitutional limitation of indebtedness or taxation will have been exceeded in the issuance of the Bonds.

Section 10. The form of Continuing Disclosure Agreement on file with the District Board prepared in connection with the Bonds and to be dated the date of sale of the Bonds, for the benefit of the registered owners from time to time of the Bonds (the "Owners") is hereby approved and the District Board hereby authorizes the Authorized Officer to execute such Continuing Disclosure Agreement with such changes therein as may be approved by the Authorized Officer. The District hereby covenants and agrees that it will comply with and carry out all of the provisions of such Continuing Disclosure Agreement in order to assist the Underwriter to comply with the requirements of the Rule. Any registered owner of Bonds may take such actions as may be necessary and appropriate, including seeking mandamus or specific performance by court order, to cause the District to comply with its obligations under this Section; however, noncompliance with this Section shall not constitute a default under or cause the acceleration of the Bonds.

Section 11. Should the Authorized Officer, upon consultation with and advice of the Underwriter, determine it is in the best interests of the District to obtain credit enhancement for the Bonds, including municipal bond insurance, to improve their marketability, the Authorized Officer is hereby authorized and directed to sign documents to secure such credit enhancement on such terms and subject to such conditions as may be established by the Authorized Officer, in agreements relating to such credit enhancement.

Section 12. The County Board is hereby requested to assist the District in the issuance and sale of the Bonds; in order to meet the requirements of law and the procedures of the County with respect to such a request, the Clerk of the District Board is hereby directed to lodge a certified copy of this Resolution with the Clerk of the County Board and with the Superintendent of Schools of the County promptly following adoption hereof, and the District represents and warrants to the County that the District shall reimburse the County's costs and expenses incurred in connection with the issuance and sale of the Bonds. The Bonds will be the general obligations of the District and will not constitute an obligation of the County except as set forth in the resolution to be adopted by the County Board authorizing the issuance of the Bonds.

Section 13. Officers of the District Board and District officials and staff are hereby authorized and directed, jointly and severally, to do any and all things and to execute and deliver any and all documents which they may deem necessary or advisable in order to proceed with the issuance of the Bonds and otherwise carry out, give effect to and comply with the terms and intent of this Resolution. Such actions as may have heretofore been taken by such officers, officials and staff are hereby ratified, confirmed and approved.

This resolution shall take effect immediately upon its adoption.
